

## MEVLANA EXCHANGE PROGRAMME

Mevlana Exchange Programme is a programme which aims the exchange of students and academic staff between the Turkish Higher Education institutions and higher education institutions of other countries.

Students may study abroad for one (min) or two (max) semesters and academic staff may lecture abroad from two weeks (min) to three months (max).

### EXCHANGE OF STUDENTS

The students registered to the vocational schools (2nd class), bachelor's degree (2 nd, 3rd, 4th classes), master, doctorate programme (after the first semester excluding the language or scientific preparation semesters) of the universities can benefit from Mevlana Exchange Programme.

Turkish citizen students who study in foreign university unfortunately couldn't apply to Mevlana Exchange programme.

### Circumstances to be a Mevlana Exchange Student:

**Grade Point Average (GPA)** should be at Least: 2.5/4.0 for the students vocational schools and bachelor's degree, 3.0/4.0 for the Ms and PhD students, the score of language of which the host institute use for teaching.

### Terms and conditions for students Exchange:

The participants of Mevlana Exchange programme can also participate in other Exchange programmes.

**Insurance Documents:** Incoming students should bring their insurance documents with them. The insurance should be valid in Turkey.

**Educational Expences:** During the exchange mobility, the participant students must pay the required tuition fee to their home higher educational institute. They don't pay any tuition fee to the host university.

**Financial Support:** For Academic Year 2020-2021, Turkish Council of Higher Education (YOK) will pay 1300 TL for incoming students per month. 80% of the scholarship is paid to students per month after their arrival to SDU. The rest of the scholarship will be paid based on the ratio of total credits of the succeeded courses to the courses that the student is obliged to take. The scholarship includes only for four months.

### Terms and conditions for Academic Staff Exchange:

Academic staff (professor, associate professor, assistant professor, lecturer) can participate to Mevlana exchange Programme. Research assistants could only participate as a student. Academic staff should give courses at least 6 hours per a week. Academic staff can participate Mevlana Programme min. 2 weeks and max. 3 months.
